

Lutherville Laboratory
School Progress Plan Summary 2023-2024
Sean McComb, Principal

BCPS Vision: Baltimore County Public Schools will be among the highest performing school systems in the nation as a result of creating, sustaining, and investing in excellence for every student, every school, and every community.

School Mission: Lutherville Laboratory is an engaged, diverse, and connected community, united in our commitment to nurture in every child harmony and respect in themselves, with others, and for the world around us, thus empowering children with a lasting foundation to pursue excellence in future endeavors.

ACTION STEPS

Mathematics/Culture

Goal: All students will achieve mathematics proficiency as indicated by the MCAP assessment.

Action Step(s):

Teachers will demonstrate cultural competency in making instructional decisions regarding the students they serve, including their strengths and needs.

Educators will examine and interrogate their personal biases to become aware of the ways in which their own cultural experiences influence the conditions and learning opportunities that they create for students.

Literacy/Culture

Goal: All students will achieve literacy proficiency as indicated by the MCAP assessment.

Action Step(s):

Teachers will demonstrate cultural competency in making instructional decisions regarding the students they serve, including their strengths and needs.

Educators will examine and interrogate their personal biases to become aware of the ways in which their own cultural experiences influence the conditions and learning opportunities that they create for students.

Safe and Secure Environment

Action Step(s):

Instruction will reflect culturally relevant pedagogy and strategy.

Teachers understand the importance of representation and promote student identities by intentionally selecting curriculum resources and materials.
