Lutherville Laboratory Elementary School

PreKindergarten and Kindergarten Registration

Lutherville Laboratory Elementary School will hold prekindergarten ***(screening eligibility only)***, and kindergarten registration on April 24, 2020. We would like to have a list of eligible students so that we can mail registration information and appointment times before this date. Registration activities usually take about an hour.

If you have a child to register, please complete the tear-off form at the bottom of this page. We would appreciate you sharing this information with neighbors and friends living within the Lutherville Laboratory Elementary School boundaries, who may be considering enrolling a student at Lutherville Laboratory. Please encourage them to contact the school at 410.887.7800 in order to provide the office with enrollment information.
