

**Lutherville Elementary School
Community School Progress Summary 2019-2020
Principal**

BCPS Vision: Baltimore County Public Schools will be among the highest performing school systems in the nation as a result of creating, sustaining, and investing in excellence for every student, every school, and every community.	School Mission: Lutherville Lab students will be life-long learners who are college and career ready and responsible citizens in their everyday lives. It is our responsibility to foster that learning for all children and to challenge every student to pursue excellence.
Literacy	
Goal: All students will achieve literacy proficiency as indicated by the MCAP assessment.	
Raise the Bar	Close the Gap
Instructional Focus: Students will be provided small group instruction aligned to grade level standards to meet the individual needs of all students.	Instructional Focus: Students who are not making progress will engage in additional small group instruction in reading skills.
Math	
Goal: All students will achieve mathematics proficiency as indicated by the MCAP assessment.	
Raise the Bar	Close the Gap
Instructional Focus: Students will be engaged in solving and discussing tasks that promote mathematical reasoning and problem solving aligned to the standard.	Instructional Focus: Students will use strategies and manipulatives to solve math problems during whole groups, small group and independent instruction.
Climate	
Goal: All students will increase the sense of belonging at Lutherville based on the Stakeholder Satisfaction Survey.	
Focus: Students will use Virtue language, Conscious Discipline strategies (K-3) and Restorative Practices to build their sense of belonging at Lutherville.
