

# We are Lutherville **AVID!**

What is AVID? “Achievement Via Individual Determination”

Students throughout the school are participating in AVID activities each day. Have you noticed “call backs,” “collaboration activities,” “goal setting,” “focused note-taking,” “organization strategies,” “color coded papers,” “relationship building,” and “college and career” displays throughout the building? These are examples of AVID in action. Ask your child which call back is their favorite so far-“waterfall,” “fantastic spray,” “grilling burgers,” or maybe the “roller coaster!”

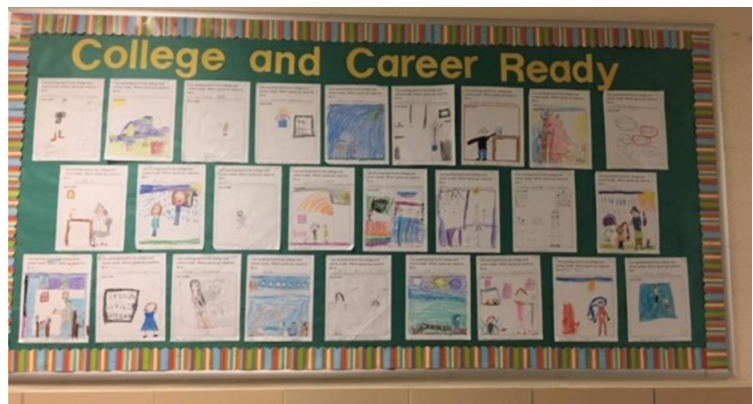

“one-pagers in social studies”

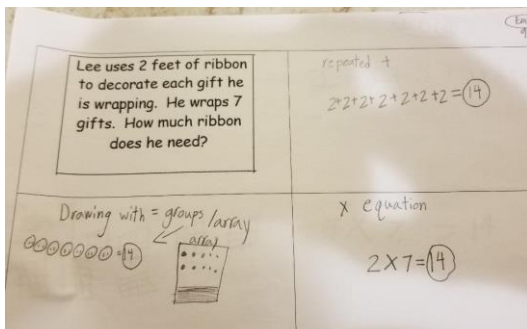

“relationship building- Heads, shoulders, knees, cup!”

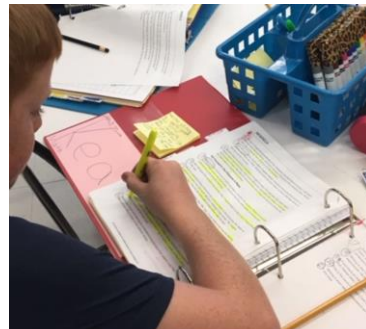

“AVID gives you wings”

“Goal setting in second grade”

“one-pager in 3rd grade math”

“focused note-taking in 5th grade”
