

Sunday Message**Lutherville Laboratory****Principal's Weekly Message****Mrs. Molly Bissell, Principal**

Good evening Lutherville Families,

This week our 5th grade students will participate in Ballroom Dancing during their specials. This is a wonderful opportunity for our students to experience different types of dancing throughout the week. 5th Grade families are invited to visit on Friday morning, at 9:35 am, to see our Lutherville students perform the dances. We hope you can make it!

We are looking forward to seeing our 3rd, 4th and 5th grade parents on March 10th for our next Parent Information Night from 6pm-7pm. The topic is the Maryland Comprehensive Assessment Program (MCAP). Childcare will be provided in the cafeteria by Open Door.

The Stakeholder Survey for parents and community members has been extended through March 11th. Grade 3, 4, and 5 students have already taken the survey during the school day. It takes less than five (5) minutes to complete, is anonymous, and is available in 16 languages for students, parents, and community members.

The "Pastabilities" Night scheduled for March 26th has been cancelled due to the March for Education for teachers. This night will be rescheduled for a date in April. More information will be coming shortly.

We are excited to start planning for the 2020-2021 school year! Pre-K and Kindergarten Registration is scheduled for April 24, 2020. If you have a child that will turn 5 by September 1, 2020, please call the school to schedule an appointment and receive a registration packet.

We are looking forward to the Hula for Hopkins on March 20th. This will be a fun night of dancing and activities to raise money for Kids Helping Hopkins. We hope that everyone can come!

Have a wonderful week!

Mrs. Bissell

Principal
