*Good evening Lutherville Families,*

*The 2<sup>nd</sup> Parent Information Night will be held this week on Wednesday, December 11<sup>th</sup> at 6:00pm on the topic of school climate at Lutherville. Our school climate goals include an emphasis on Virtue Language, Restorative Practices, and Conscious Discipline. To keep all parents informed, we invite you to join us along with the BCPS Office of School Climate and Ms. Dara Feldman, Virtues Project, for this presentation. There will be opportunities for questions as well.*

*The principal's advisory group met this week to provide input and perspectives on improvement initiatives at Lutherville Lab. This month's discussion included improving home/school communications, updating the school website, and ways to share current events through social media at Lutherville. Improvements and updates for the website will be coming soon. Parents who are serving on the principal's advisory group include: Mr. Ortez, Mrs. Liles, Mrs. Gantz-Hoerr, Mrs. Gentle, Mrs. Hirsch, Mr. Prender, Mr. Glenn, Ms. Johnson, Mrs. Mulwanda. & Mrs. Schultz. Thank you to these parents for their input this past week.*

*The weekly event calendars for the next two weeks are below! On Friday, December 13<sup>th</sup>, we are looking forward to seeing everyone in their Holiday spirit wear! Have a wonderful week!*

*Mrs. Bissell*
