

Good evening Lutherville families,

We hope you are staying warm and dry today! All parents are invited to participate in two upcoming meetings:

- The December PTA meeting will be held on Thursday, December 5th at 6:30pm in the school library.
- The 2nd Parent Information Night will be held on Tuesday, December 11th at 6:00pm. Our school climate includes Virtue Language, Restorative Practices, and Conscious Discipline. To keep all parents informed we invite you to join us along with the BCPS Office of School Climate and Ms. Dara Feldman, Virtues Project, for a presentation on our school climate initiatives.

The principal's parent advisory group will meet on Thursday, December 5th at 5pm to share input and perspectives on improvement initiatives at Lutherville Lab. Thank you to the parent members who have agreed to participate and provide feedback.

Finally, please see the Weekly Event Calendars for the next two weeks at Lutherville. Have a great week!

Mrs. Bissell
