

Good Evening Lutherville Families,

Thank you to everyone who was able to visit Lutherville this past week for American Education Week! It was wonderful to see students and parents engaging in learning together. Baltimore County Public Schools has adopted a new procedure which requires schools to evaluate the before and after child care programs at least every five (5) years. Lutherville is scheduled to evaluate our child care program this year and to select a childcare provider who will begin offering services next September, 2020. This process was created to establish a uniform procedure for all BCPS schools to select their child care vendor in a fair, standardized manner. Our committee will be composed of two administrators and three parents who will participate in the selection process. If you are interested in being apart of this process, and would like more information, please send Mrs. Bissell an email at mbissell@bcps.org.

Mrs. Jenkins is looking for volunteers in the afternoon to read to her Kindergarten students after 3:15 pm. Anyone interested, please email Mrs. Jenkins at kjenkins2@bcps.org

On Wednesday morning, we will be meeting as a school community to celebrate the virtue of the month, **Flexibility**. During this time, classrooms will meet in the gymnasium and we will recognize students that received shout-outs for the month of November! We will be introducing the virtue for the month of December - **Kindness**!

We have a short school week due to the Thanksgiving holiday and schools will be closed on Thursday and Friday. I hope everyone has a wonderful and relaxing Thanksgiving!

Mrs. Bissell
