Volunteer training will be offered during this week, as well as support to sign up for BCPS One. A flier with more information on training and BCPS ONE will be on the check-in table in the front Lobby tomorrow morning.

The first marking period report cards will be sent home Thursday, November 21st. Schools will be closed this Friday, November 22nd for conference day. Please email or call your child's teacher if you wish to schedule a conference to discuss your child's progress.

Lutherville was selected by BCPS and the Education Foundation of Baltimore County Schools to receive *Huddle for 100 Ravens Encouragement (Incentive) Bags*. These incentive bags will be used by the school to recognize attendance, academics, celebrations, demonstrating the school's virtues or code of conduct or "just because." The Education Foundation of Baltimore County Public Schools joined hands with WBAL, WBAL Radio, 98 Rock, and the United Way of Central Maryland, answering the *Caw to Action* by the Baltimore Ravens to give 100 minutes of time to shape what our community will look like for the next 100 years. Answering our specific *Caw to Action*, Lutherville will be receiving 100 filled Ravens Incentive Cinch Bags with school supplies. Lutherville was one of only three schools selected in BCPS! Mr. Jason Newton, *WBAL-TV 11 News Reporter and Anchor* will visit Lutherville at 9:30am tomorrow to share his words of encouragement about the sense of belonging, developing a helping and positive mindset when supporting your peers, and the importance of being in attendance at school daily. We are excited that Lutherville was chosen!
