GOOD AFTERNOON LUTHERVILLE FAMILIES

I hope everyone had time to enjoy the beautiful fall weather this weekend. We had a successful second week of virtual school. Thank you to every family that was able to join our virtual Back-to-School night. Our teachers did a wonderful job presenting information in regard to schedules, BCPS One, Schoology, and grading and reporting. If you have questions, please email your child's teacher.

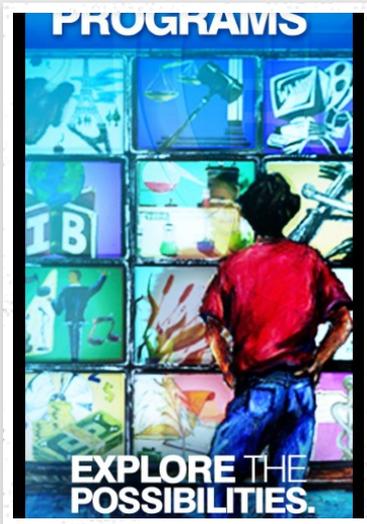

We distributed our second round of devices beginning on Wednesday and throughout the remainder of the week. If you have not received a device and need one, please send me an email. If you have technical difficulties, please see the attached IT support below. You can also call the Technology office and submit a ticket.

The application for BCPS magnet programs is now available! The deadline is Friday, November 6, at 1:00pm. The link for information is also below.

This week our Superintendent shared a plan for starting to bring small groups of students back into school. As soon as we have more information, it will be shared with you.

Have a wonderful week.
